

G.A.I.C.

November 15, 2006

Attendees: *Gwen Thorpe, Michelle Zuhlke, Trish Owens, Shannon Ideus, Terry Lowe, and Doug Thomas*

Approval Of Minutes

There were no recommended changes by those in attendance, but due to a lack of a quorum, the October minutes were held over with the September minutes for December review and approval.

Statics

Web Trends (NT Stats)

The only are with a reduction in hits of 25% or more was the Public Works Traffic Cams. There were several areas with increases of 25% they were: Planning (increase of 53k 32%), County Clerk (increase of 21k, 26%), County Commissioners (increase of 1k, 34%), Election Commissioner (23k, 113%) and Emergency Services (increase of 1k, 26%). We theorized that it may be due to the race track request activities, plus election related activities.

Mainframe

The Multiprise Web hits for October totaled about 430k. Fire and Records Management were up quite a bit. Gwen estimated that much of the Records Management related to her activities in working with Brian on migrating his office to TRIM.

IMS/Images

The IMS/Image Server increased to a total of 769,809 hits in October. IMS/Image totals are from Crime Data and Parcel Location Applications only. Assessor Photos and Register of Deeds images are no longer included in our totals.

CJIS

CJIS site hits were once again an all time high with 1,058,902. In the month of October, Accident Reports totaled 36,276 and Criminal Histories had 3,896 total hits.

Contractor Hits

Contractor page hits for the month of October had and increase of nearly 12,000 hits to a total of 31,279 hits.

User Sessions

Total User Sessions for the month of October increased over 50,000 from September, with a total of 692,180.

ePayments

Individual Verisign Activity

We are currently within about \$50k of hitting the 10 million dollars collected threshold represented by about 83k transactions. For the month of October there were about 3,150 transactions for a total of approximately

InterLine Partnerships

RFP's are to be opened on November 29th. Vince agreed to re-bid these due to the limited number of responses received on the first go round. We sent it out to a larger number of potential responders this time.

Reappointments

It is time to start getting this done again as we have one citizen participant (James Lamphere), and all three internal appointments expiring on January 1. No one at the meeting provided an suggestions as to possible appointees. Doug will pass this information forward to Rick Hoppe in the Mayor's Office.

Annual Report of Accomplishments

Doug will provide this in the next couple months for distribution to the Board, Council and Mayor's Office. If there is anything you want included in this report let Doug know.

Next Meeting
